Tyrell and Jamie Thomas appeared with a concept to build Minor Subdivision or Major Subdivision. Tyrell presented a sketch plan from AA Hudson. Thomas would like to divide 4 lots of a parcel. One of the lots would work because it is adjacent to a county road. The other 3 lot are on a private road/easement/or right of way, and one of the lots would not be assessable from the existing right of way. PZ Commission gave the Thomas input on other ideas to access the 4th lot. Tyrell would like to appear in the June 2022 PZ meeting to report more information that the county gave or told him at the time the easement was given to the Gleckliers.

PZ Commission agreed to hear from Tyrell again in June. Motion made by Vickie to hear from the Thomas in June 2022, 2nd by Josh, motion carried
