Jamie Olsen Deputy Assessor appeared before the commission with concerns about how many copies and the size of copies that are required for Zoning Applications. Jamie indicated that a lot of the information can be made via email. Mike Williams explained why there are 12 copies and why they need to be 24x36. Staff will recommend the size and number of copies at each phase of the application process. Josh thanked Jamie for her input.

Unlawful RV living Letter was reviewed, Cody will review the letter closer and make appropriate edits before it is sent to violators.

Barndominium definition discussion, the suggestion to not address it was made by Mike.

Update on the Development Code Amendments that were proposed to the BOCC was discussed by Josh. Cody indicated that the updates have some fine tuning, Commissioner Lewis, would like the proposed material recommendation be addressed at a Public Hearing of the BOCC, and not send the recommendations back to planning to be Zoning. Cody will work on those material changes with Mike and Cherese guidance.

A well-prepared update on the County Cemeteries was presented by Vickie, a copy will be emailed to the Commission.

Steve also presented a thoughtful and well-prepared statement regarding the Oneida County Road District. Steve has attended a meeting with the Road and Bridge Dept.

Stephen Frieburger to make an action plan to get an inventory of all Oneida County roadways, culverts signs, and the condition of the roads. This will give Road and Bridge the information necessary to evaluate the cost to improve, replace and repair those items in inventory.
