

**ONEIDA COUNTY PLANNING AND ZONING
30 NORTH 100 WEST
MALAD CITY, IDAHO 83252**

Minutes for Public Hearing: File 25-0021 - Amendment to the 2022-08-01 Development Code

To make Public Hearings optional at the Board of County Commissioners' level, and to clarify the woodworking definition

Roll Call

Chairman Josh Paskett, Rich Moore, Tallen Boyer, Alaina Schrenk, Vickie Ingram. Excused Absence: Bucky Reeder

The applicant from Oneida County staff presented the Staff Report and a PowerPoint presentation regarding the proposed amendment.

Chairman Paskett opened the hearing for public comment; however, no members of the public were present.

The public hearing was then closed, as there were no questions from the Commission for the staff.

The Commission engaged in deliberation and discussion. It was noted that the public typically attends the Board of County Commissioners (BOCC) meetings. If concerns and suggestions are brought up during the Planning and Zoning (PZ) Public Hearings, the PZ Commission can take these into account before forwarding the item to the BOCC.

A motion was made by Steve to forward the amendment proposal to the BOCC for their consideration. Vickie seconded the motion, and it was carried.
