MEETING MINUTES OF A REGULAR MEETING
OF THE BOARD OF ONEIDA COUNTY COMMISSIONERS

The meeting was opened by Commissioner Firth

The minutes from the last meeting were reviewed.

Commissioner Tubbs made the motion to approve the minutes.
Commissioner Daniels seconded and the motion carried.

Supervisor's reports:

Treasurer – working with third year tax delinquent properties; could end up taking some properties tax deed. A hearing will be set for March 23rd, giving one last chance for payment.

Assessor – working on assessments and collecting circuit breaker requests.

Probation – Drug testing with the help of the deputies is becoming harder to schedule and the request was made to use some of the part time bailiffs or transport personnel to help out. Another option was to work with Preston and exchange hours as they are having the same issues.

Extension office – Meranda is Considering ways to improve and promote the 4-H program and hopefully increase youth participation in 2015.

Weeds – would like to replace the yellow spray truck and reconfigure the spray boom for the application of sterilant. Also indicated was the need to improve the application records of work preformed through out the year. The annual weed meeting for members of the county will be scheduled for the near future.

Road & Bridge – They are utilizing the favorable weather to start working the gravel roads while the moisture is in the ground, it will be necessary to start hauling chips for work later in the year and they are still looking for a good source of gravel to replace the ward pit that is about run its course.

Home owner's exemption: Ed Park questioned the removal of homeowner's exemption on his home in St. John. The assessor explained the program and indicated that because he rented the home and didn't use it as his prime residence that the tax reduction was taken away.

Commissioner Tubbs made the motion to approve and sign three certificates of residency for High School students taking dual credit classes at CSI.
Commissioner Daniels seconded and the motion carried.

Solid waste exemption request: A request for exemption of the solid waste fees on a property, 2895 N. Old Hwy. 191, was reviewed. It was indicated that they already received a 50% reduction.

February 9th, 2015

Commissioner Tubbs made the motion to deny the request.
Commissioner Daniels seconded and the motion carried.

Adult Felony community service hours worked in the county under the direction of probation officer Matt Daesler will be coordinated through the county clerk so hours can be tracked. This will aid in filling the requirements for Workman's Compensation insurance should it be needed.

P&Z:

Commissioner Tubbs made the motion to approve one building permit for an agriculture building for Craig Sorensen.
Commissioner Daniels seconded and the motion carried.

The process whereby a subdivision is created was clarified. The process needs to be approved by the BOCC before any work can be accomplished. The Developers of the Pheasant Brook subdivision would like to forego the Bond requirement but the P&Z board was not in favor of granting this request.

Braydon Eliason requested a variance on a home construction in Holbrook. He is building on an existing foundation with some new expansion which needs to be closer to the road to allow for the septic system that will be replaced. The P&Z board granted the request.

The Building permit will be modified to add space for additional information that can be utilized by other departments when updating County data.

Commissioner Daniels made the motion to sign a proclamation by the FCCLA supporting the request for families to eat at least one meal at the table as a family during the week of February 9th, through the 14th, 2015.
