

MEETING MINUTES OF A SPECIAL MEETING
OF THE BOARD OF ONEIDA COUNTY COMMISSIONERS

The meeting was opened by Commissioner Firth.

Commissioner Tubbs was excused.

Lease of County buildings – Rhonda Neal, representing a local business called Creative Mines, is looking for short term storage space to house some of the company's materials for the winter months. Their plans are to build onto their existing operations but this may not take place for a few months. The county has a Quonset at the fairgrounds nearby that is not being fully utilized and Ms. Neal has asked if the county would consider leasing this structure for the winter months. The commissioners explained that they are trying to build a new 4-H display building/extension office at the fairgrounds and indicated that they were looking to sell this Quonset and have it removed. Rhonda asked if it were possible to purchase the building and use it in its current location beginning November 1st until early spring. Commissioner Daniels indicated that she would like the contract to specify that the building would be removed by April 1st, 2017.

Commissioner Daniels made the motion to sign an agreement with Creative mines for the lease/purchase of the Quonset at the fairgrounds for \$2,000.00 dollars AS-IS and that the building will be moved by April 1st, 2017.

Commissioner Firth seconded and the motion carried.

With no other items on the agenda the meeting was adjourned.
