10 COURT STREET, MALAD, IDAHO 83252

Meeting minutes for August 1st, 2022

Commissioners in attendance: Bill Lewis, Robert Christophersen, Ken Eliason (telephone)

A special meeting was held to discuss county equipment being used to help fire fighters on federal or private land.

It was noted that county equipment can not leave county property to fight fires on federal or private land unless the chairman of the board of commissioner has declared an emergency.

The group discussed what needs to happen and how to proceed if the need does arise. Attorney Brower suggested outlining a plan that would be followed in these emergency situations.

Training of the county employees regarding fire safety was highly recommended. Safety gear was also listed as a high priority

Commissioner Lewis made the motion to approve funding up to \$2,500.00 dollars to purchase safety shirts and fire shelters to be used by the road department.

Commissioner Christophersen seconded. All commissioners approve and the motion carried.

Commissioner Lewis made the motion to approve a temporary emergency plan when the chairman of the board of county commissioners declares an emergency and county employees and equipment are used to help with wild fires that they will report to the incident command center, they will use proper safety equipment and that they must have available radio communication direct to the incident command center.

Commissioner Christophersen seconded. All commissioners approved and the motion carried.
