Bill Lewis, Chairman - Ken Eliason - Brian Jeppsen

Old Commissioners Room - 459 South Main St, Malad, ID 83252

Special Commissioner's Meeting

26 JANUARY 8:00 AM - 8:10 AM *RECORDING 21138*

IN ATTENDANCE: County Commissioners Bill Lewis, Brian Jeppsen, and Ken Eliason (via phone)

Commissioner Bill Lewis opened the meeting.

Commissioner Jeppsen presented the bid from D&T Electric for the backup generator at the Event Center. The county is past the time frame available to use some of the funds currently available to obtain the Generac generator discussed in previous commissioner meetings due to the 25-week wait time.

The Cummins generator being proposed by D&T Electric is already in stock and could be here within a week and is of similar quality to the Generac.

The Generac bid, including a \$6,000 propane tank previously discussed and accepted, was about \$66,000. The Cummins bid is \$59,780.55 + \$6,000 for the propane tank will be a little more but is going to be available and installed within the necessary time frame the county has to use the SHSP grant money that was available.

The bid from D&T Electric includes the generator, parts, installation, travel x 5 days for the technicians, and 100 hours of labor (2 techs x 50 hours each). Final cost for the 90KW 208 3 phase water-cooled Winco propane Generator with Cummins motor is \$59,780.55.

Commissioner Jeppsen motioned to accept the D&T Electric bid for the Cummins back-up generator for the Event Center at the cost of \$59,780.55. Seconded by Commissioner Eliason. All ayes. Motion carried.
