Special Commissioner's Meeting

15 APRIL 2024 9:00 AM *RECORDING 240415-0056 *

IN ATTENDANCE: County Commissioners Bill Lewis and Brian Jeppsen, and Ken Eliason

The Special Meeting was opened by Commissioner Bill Lewis.

A project for the Road & Bridge building was originally approved for \$21,200 and necessary changes to the project will require an additional \$5,950 to complete. Gravel needed to be placed to prevent water from running towards the building and causing puddles and ice. There was an unknown layer of asphalt below the cement that needed to be removed in order to properly place thirty-two (32) ton of gravel, sloping away from the building. Parking curbs (bumpers) were placed to keep vehicles from going too far. Two (2) yards of concrete will be placed to extend a concrete pad where the air conditioner unit currently sits and will be where garbage cans are stored. Roofing cleats were installed on the building to prevent snow from falling onto the handicap parking spots.

Commissioner Eliason motioned to cover the added expense of \$5,950 required to complete the Road & Bridge building project that includes \$3,700 for asphalt removal and added gravel, \$1,400 for parking curbs, \$800 for concrete, and \$50 for snow stops, to be paid out of LACTF Funds. Seconded by Commissioner Jeppsen. All ayes. Motion carried.

Training for the new Planning & Zoning Development Code was discussed. The training will potentially include board members from Planning & Zoning, Oneida County Board of Commissioners, legal representatives from Fuller & Fuller, and Road & Bridge. Training will be done by MSBT Law's MSBT Law attorney Chereese McLain (or possibly attorney Stephanie Bonney) and their land use & planning consultant, Mike Williams.

After taking into consideration the known schedule conflicts, three possible training dates were proposed. In order of preference, those dates (and suggested time of 6:00 pm) are:

May 23

May 17

May 24

Commissioners will review the development code and submit topics for training to Commissioner Lewis by Monday, April 22.

Commissioner Lewis motioned to work toward scheduling the development code training on either May 23, May 17, or May 24 with a start time of 6:00pm at the Event Center conference room. Seconded by Commissioner Eliason. All ayes. Motion carried.

***** Meeting adjourned by 9:40 am*****
