Discussion/Decisions Following the Impact Zone Map Amendments (timestamp: 00:00:01)

Commissioner Jeppsen noted the concern of what land was “most likely to be annexed” and expressed interest in what the city's intentions were for growth in the next few years.

Commissioner Eliason expressed the same concerns.

Chairman Lewis recommended adding the topic to the December 8, 2025 Board of Commissioners meeting and to invite the City Council and Mayor to attend in order to help answer some questions and review the proposed boundary to see if it can come more in line with what development may take place in the near future (see *proposed map p. 2*). No decisions were made and the meeting was adjourned.

***** Meeting adjourned by 7:30 pm*****
